AMBITI DI RICERCA

Professor Vittorio Gebbia, MD, PhD, is a board certified medial oncology and hematology oncologist specializing in the treatment of a variety of adult cancers with medical therapy.

He obtained his M.D. and Ph.D. cum laude from the University of Palermo, Italy in 1983 and 1989 respectively. He finished his PhD oncology/hematology training at the Johns Hopkins Oncology center, Baltimore, USA in 1987.

Professor Gebbia is a published expert on the diagnosis and treatment of solid tumors with a particular focus in gastrointestinal and thoracic malignances.

He has expertise and published a number of papers on the treatment of pancreatic, colon and lung cancer as well as combined modality treatment and supportive care.

He has given several talks in national and international meetings on his work. He is on several Editorial Boards related to cancer and cancer treatment.

He is a member of American Society of Medical Oncology (ASCO) and a board-certified member of the European Society of Medical Oncology (ERSMO) as well as the Italian Society of Medical Oncology. He has been Assistant Professor of Medical Oncology at the University of Palermo since 1999 and at present is Associate Professor of Medical Oncology at the same place. He is interested in arts and is a collector of antique prints
