

Curriculum Vitae

INFORMAZIONI PERSONALI

Nome GIOVANNI
Cognome PERRONE
Recapiti DICGIM
Telefono 091-23861835
E-mail giovanni.perrone@unipa.it

FORMAZIONE TITOLI

1995 Ph.D., Production Engineering and Management, University of Palermo

1990 Master Degree in Management Engineering

ATTIVITA' DIDATTICA

Giovanni Perrone teaches *Industrial Organisation and Strategy and Business Game* (12 ETCS) and *Technology Analysis and Strategic Management* (6 ETCS) both at the Master Degree level of Business and Management Engineering.

He also teaches Technology Management at ISCT-UIL Business School Lisbona.

RICERCHE FINANZIATE

National research project (PRIN)

2005 – 2007 *Local coordinator of the project* "Un sistema di supporto alle decisioni per la definizione della strategia manifatturiera in ambienti a flessibilità focalizzata" funded within the program PRIN 2005

2001-2003 *National coordinator of the project* "Pianificazione distribuita del processo e della produzione in ambiente manifatturiero", funded within the program PRIN 2001

2001-2003 *Local coordinator of the project* "Pianificazione distribuita del processo e della produzione in ambiente manifatturiero", funded within the program PRIN 2001

1997 - 2004 *Local coordinator of department projects* – Università della Basilicata

1997-2001 PRIN projects component

1997-2001 Component of CNR bilateral Italia – USA projects

Applied research project (PON, POR, FIT)

2018 - *Scientific coordinator* of the project OK-INSAID, Operational Knowledge from Insights and Analytics on Industrial Data, funded within the PON 2015-2020

2015 – 2018 *Scientific Coordinator* of the project "Services First - SERVIFY" funded within the PON 2007-2013 program

2013 – 2016 *Scientific coordinator* of the master program "Management of the operation in health structures" funded within the PON 2007-2013 program eHealth

2013 – 2016 *Scientific Coordinator* of the contract between DICGIM e Arancia ICT titled "Edimec"

2013 – 2016 *Scientific Coordinator* of the contract between DICGIM e Dhitech titled "Puglia@service"

2013 – 2016 *Scientific Coordinator* of the project "PIANETA" funded within POR misura 4.1.1.1

2013 – 2016 *Scientific Coordinator* of the project "MAGELLANO" funded within POR misura 4.1.1.1

2012 – 2014 *Scientific coordinator* of the contract between DICGIM e Engineering Ingegneria Informatica S.p.A. titled "AgroEvolution"

2011 – 2012 *Scientific coordinator* of the contract between DICGIM e ASP Agrigento titled "Sviluppo di un modello di business ed organizzativo per il CRB di Sciacca"

2009 – 2012 *Scientific coordinator* of the contract between DTMPIG/DICGIM e Engineering Ingegneria Informatica S.p.A. titled "XNetLab"

2009 – 2011 *Scientific coordinator* of the contract between DTMPIG/DICGIM e Gruppo 6GDO

2008 – 2009 *Scientific coordinator* of the contract between DTMPIG e Assessorato alla Sanità della Regione Sicilia titled "Studio di fattibilità per attività di e-procurement in ambito sanitario"

2006 – 2008 *Scientific coordinator* of the project Sicilian Digital Business Ecosystem, funded within the POR Sicilia – 3.14 program

2005 – 2007 *Local coordinator* of the LOCOSP project – funded under the MIUR - FAR - project

2003 – 2005 *Scientific coordinator* of the project "ERP-Light" funded under the PIA Innovazione program

1997-2001 *Scientific coordinator* of the project "Fuzzy – MPS: un software innovativo per la pianificazione della produzione", funded by Parco Scientifico e Tecnologico della Sicilia";

1998-2000 *Scientific coordinator* of the project "Nuovi strumenti software di pianificazione della produzione", funded under the POP Sicilia program.

International projects

2004 – 2007 *Scientific Coordinator* of the project “Innovative negotiation models for production planning in reconfigurable networks” funded under the CO.RI. Program.

European Projects

2013 - 2015 *Local coordinator* of the LPP project "VIREG"

2004 – 2007 *Local coordinator* of the Coordinated Action FP6 UE "CODESNET"

ASSOCIAZIONI SCIENTIFICHE

10. Office hold

2019 - now	<i>President</i> of AiIG (The National Association of scholars in Business and Management Engineering)
2013 - now Innovation)	<i>President</i> of Si-Lab S.c.r.l. (Laboratorio Pubblico Privato per la Service
2016 - 2019 Incubators)	<i>President</i> of PNICube (The national Association of University Business
2016 - 2019	<i>President</i> of EurOMA (European Operations Management Association)
2010 - 2017	<i>Board of Directors</i> of Associazione Italiana di Ingegneria Gestionale (AiIG)
2007 - 2017	<i>Board of Directors</i> of PNICube (The Association of Italian Incubators)
2013 - 2016	<i>General Secretary</i> of PNICube (The Association of Italian Incubators)
2012 - 2014	<i>CEO</i> of Sintesi S.u.r.l. (the in-house company of University of Palermo)
2012 - 2014	<i>Board of Directors</i> of Consulta dei Comitati di Gestione dei fondi del volontariato per la Sicilia (in quota Fondazione Cariplo)
2011 - now	<i>Board of Directors</i> Consorzio SIRIO
2010 - 2013	<i>President</i> of Associazione Sintesi

2007 - 2012	<i>Board of Directors</i> of ISIDA Business School in quota Università di Palermo
2007 - 2011	<i>Board of Directors</i> of Consorzio ARCA (The Business incubator of the University of Palermo)
2005 - now	Reviewer FP 6 e 7
2000 - now	Reviewer for MIUR
2007 - 2008 Campania	<i>Member</i> of Comitato per la Diffusione della Banda Larga della Regione Campania

PUBBLICAZIONE

ATTIVITA' SCIENTIFICHE

Professor Perrone carries out his research activity in the following fields:

- Operations Management;
- Innovation management;
- Industrial Organisation and Management Science

He has published about 150 papers mostly in international journals and proceeding of international Conferences. 72 papers are referred in the Scopus database, where he has an h-index of 19 and about 980 citations. Professor Perrone is in the list of possible commissioners for the Abilitazione Scientifica Nazionale (ASN).

He was President of EurOMA (European Association for Research in Operations Management) for the period 2016-2019, and it was member of the Board of Directors of AiIG (Associazione Italiana Ingegneria Gestionale) for the period 2012-2017.

He is Consulting editor of *International Journal of Production and Operatins Management*, Associate editor di *International Journal of Information Technology & Decision Making* e di *International Journal on Multidisciplinary Approaches to Innovation*.

He acts as reviewer of several international journals.

AMBITI DI RICERCA

Giovanni Perrone is professor of Business and Management Engineering at the University of Palermo. He is Head of the Department of Engineering at University of Palermo and President of AiIG (the Italian scientific association of business and management engineering scholars). He is also President of Service Innovation Laboratory S.c.r.a.l.. He was President of PNICube (the national Association of University Business Incubators) from 2016-2019, President of the EurOMA (the European Operations Management Association) from June

2016 to June 2019. He is Member of the Steering Committee for the Italian Minister of Research and Education for the program HEInnovate. Furthermore, he was Director of the Engineering Management Degree programme at the University of Palermo from 2005-2011, member of the board of ARCA - the Business Incubator of the University of Palermo from 2008 to 2011 and member of the board of the ISIDA Business School.

Giovanni Perrone teaches “Industrial organization and Strategies and Business Game” and “Technology analysis and Strategic Management” both at the master level of the Business and Management Engineering program at the University of Palermo.

He was visiting scholar at MIT (Cambridge - USA), visiting scientist at Aachen Technical University and visiting professor at North Carolina State University. During his career Prof. Giovanni Perrone has managed about 4 Million of Euros in research projects at several levels (EU, national research projects, industrial projects). The scientific activity of professor Perrone is focused on Operations and Innovation Management. He holds 72 international journals publications, which are recorded in the Scopus database where he has an h-index of 19 and about 980 citations. He acts as member of the board of editors and reviewer for several international journals.
